

How to Run **CMS IntelliCAD PE Easy Run**

Using Microsoft Edge, Google Chrome or Mozilla Firefox:

- 1) Go to <https://run.intellicadms.com>
- 2) Sign in using your license data – Check your license username and password at <https://www.intellicadms.com/licenses>
- 3) Follow the instructions. Make sure to install the Turbo.net plugin that will allow our site to download and run CMS IntelliCAD on your Windows 64-bit machine(s).

The image shows two screenshots of the <https://run.intellicadms.com> website. The top screenshot shows the sign-in page with a 'Sign In' form containing fields for 'Username or Email' and 'Password', a 'Remember me' checkbox, and a 'Sign In' button. A blue-bordered box on the left provides demo account information: 'For demo purposes, please use account: Choose one of the following Usernames* (lowercase): demo-1, demo-2, demo-3, demo-4 or demo-5 Password (lowercase): demo (* change the username if already in use)'. The bottom screenshot shows the 'Applications' page with a 'Download' button and a list of application options: 'CMS IntelliCAD® PE Easy Run', 'ETOOLBOX® Mobile CAD Viewer', 'Run in Cloud (HTML5)', 'Run in Cloud (Windowed)', 'Run on My PC (Local)', and 'Install on My PC'. A white-bordered box highlights the '1st step: Download and install turbo.net plugin. Run this step only once.' and an orange-bordered box highlights the '2nd step: Right mouse click on top of each icon and select the way you would like to run the software'.
